

4T 2 LIFT BASED LIFT WITH H FRAME (T40E)

T40E 2 POST LIFT

Our 4 Tonne 2 Post lift comes with a base frame, ideal for a substantially level but poor quality floor. These base frames give strength and structure to the installation.

The T40E range come in either single or 3 phase and come complete with 4 x 80mm lift pad extensions and with 2 or 3 stage arms.
